AFOA CANADA

Building a Community of Professionals

AFOA Saskatchewan Human Resources Workshop

AFOA Canada November 17, 2016

Chris Sicotte
AFOA Canada Chair

Human Resources Management

- AFOA Canada is pleased to offer Human Resources Management series of 1-day workshops for Aboriginal Professionals.
- Our Human Resources Management Essentials workshops cover strategic and legal information you need to know over four different modules.
 - Module 1 - Professional Practice
 - Module 2 - Planning and Staffing
 - Module 3 - Performance Management and Employee Training and Development
 - Module 4 - Employee Compensation and Benefits

Human Resources Management Workshops

How do you access this excellent series that has been designed to foster and invest in Human Capital?

- **Community Workshops** are delivered in YOUR community or at a location of YOUR choice. Travel can be costly when you are trying to access training for management, staff and elected leaders so let us come to you!

Call AFOA Canada today to learn more about the Human Resources Management Series training options.
